- Door Attachment—LK5200

Built with steel construction, durable powder coat finish, perfect tool for removing or installing doors on cars, pickup trucks, vans, SUV's, semi trucks, and even Sprinter vans. It can be precisely adjusted with ease. Also great lifting height and one technician friendly.

Retail Price \$695 (plus shipping)

Hood Attachment

SKU: LK5400

- Hood Attachment - LK5400

The Lift King Hood Attachment is an excellent choice for all automotive paint facilities. This adjustable hood attachment works well on automotive hood panels of various shapes and sizes. It quickly attaches to a hood for installation and removal. The Lift King Hood Attachment attaches to the Lift King LK4000 Main Component quickly with one pin and folds into a collapsed position by removing only one pin and can be stored or hung on a wall mount. The Lift King Hood Attachment is a great stand when performing repairs, sanding, priming, painting, and buffing of most automotive hood panels. The Lift King Hood Attachment attaches to hood with ease and lets one technician remove or install the hood.

Retail Price \$495 (plus shipping)

Box Dolly

SKU: LK4055

- Box Dolly—LK4055

Built with steel construction, durable powder coat finish, 8" casters, 600 lb. weight capacity. Heavy Duty, adjustable and breaks down in seconds for easy storage with no tools needed.

Retail Price \$695 (plus shipping)

Box Dolly: https://youtu.be/hZ1_DGz0VPU

- Semi Hood Dolly—LK4035

Built with steel construction, durable powder coat finish, hard rubber casters, 500 lb. weight capacity and fully adjustable to fit any semi hood.

Retail Price \$1,495 (plus shipping)

Semi Hood Dolly: <https://youtu.be/CjggZQDTVvk>

Heavy Duty Vehicle Dolly

SKU: LK4090

- Heavy Duty Vehicle Dolly—LK4090

Built with steel construction, durable powder coat finish, hard rubber brake casters, 5,000 lb. weight capacity and fully adjustable to fit any frame configurations. Built rugged tough and heavy duty. Works great with pickups, small and large vehicles to be moved around a facility. This dolly is a great option for frame replacements and full restorations.

Retail Price \$1,495 (plus shipping)

Fender Paint Stand

SKU: FPS5100

- Fender Paint Stand—FPS5100

Built with steel construction, durable powder coat finish, fully adjustable and folds up nicely for easy storage. An inexpensive adjustable paint stand that works great to hold more than a fender.

Retail Price \$385 (plus shipping)

Fender Paint Stand: <https://youtu.be/IXnMSOFgzua>

Extreme Paint Stand

SKU: LK5500

- Extreme Paint Stand - LK 5500

The Lift King Extreme Paint Stand is an excellent choice for all automotive paint facilities. This adjustable stand works well on automotive panels of various shapes and sizes. The Lift King Extreme Paint Stand folds into a collapsed position by removing only one pin and can be stored with very little floor space needed or hung on a wall mount. The Lift King Extreme Paint Stand is a great stand when performing repairs, sanding, priming, painting, and buffing of most automotive panels. The Lift King Extreme Paint Stand offers the most positioning and flexibility of all multi-use paint stands on the market. This stand works well on most hoods, fenders, doors, bumpers, and deck lids. This stand will take the place of 3 or more stands and save a lot of floor space. It allows the technician to rotate the panel in a complete 360 degree and a full upward or downward tilt for the best outcome when painting.

Retail Price \$595 (plus shipping)

Box Dolly/Fender Stand Rack

SKU: LK5300

- Box Dolly/Fender Stand Rack—LK5300

Built with steel construction with durable powder coat finish, perfect for storing a box dolly and Fender Paint Stand. Move around the facility with ease on the durable casters. This rack is designed to hold a fender stand and box dolly and can be moved around the facility with ease.

Retail Price \$395 (plus shipping)

Combo Attachment Rack

SKU: LK5300-CB - LK5300-LD - LK5300-HD

Built with steel construction with durable powder coat finish, perfect for storing Light Duty and Heavy Duty accessories. Move around the facility with ease on the durable casters.

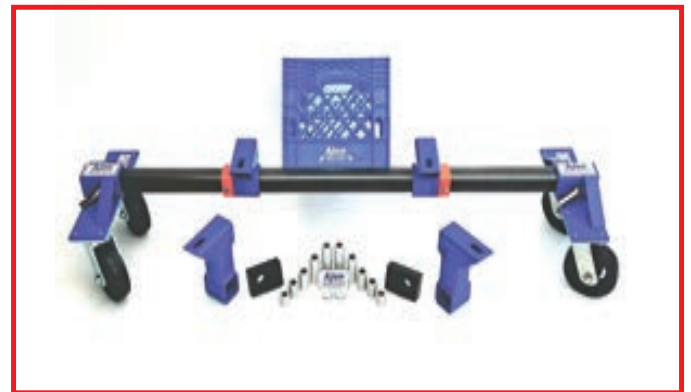

Retail Price \$495 (plus shipping)

Lift King Ajon Mobility Dolly

SKU: LK7000

Built with steel construction with durable powder coat finish, perfect for vehicles when you have no cradle,, no subframe and no suspension. Free up rack space and increase productivity. Quickly attaches with ease. Move around the facility with ease on the durable casters. The Lift King Ajon unit can be installed in less than five minutes. The vehicle can then be moved by hand over speed bumps, dips, uneven pavement or any other undulations generally found in automotive repair facilities.

Retail Price \$1,495.00 (plus shipping)
